Teams **MUST** turn in a separate team waiver form signed by players/guardians at check-in.

Age Divisions will use new USSF calendar year groupings determined by the age of the oldest player. **Ex: If oldest player on team was born on 2/1/2000, team would register for the "2000" division.** 2011 and older birth years accepted. Females may play in Male divisions, but Males may not play in Female divisions.

Play Level - Generally established "Select" teams should choose Gold play level. Teams comprised of "Recreational" level players or Select teams that have just formed would choose Silver play level. Selection of Play Level is a request and final determination of teams play level is at discretion of Tournament Director.

Tournament Director will attempt to have separate divisions for each Age Division and for Gold/Silver play levels, but reserves right to mix divisions and play levels as necessary to create divisions based on number of registered teams.

Entry deadline is Sunday, June 25th. Entry fee is \$100 per team and must be received by the entry deadline in order to guarantee your team's acceptance into the tournament.
